CBR 650R

WHAT R YOU TODAY?

E-Clutch Next Level Riding

Setting off from standstill, shifting up and down, and coming to a stop all you need do is operate the gear lever. E-Clutch does the rest – smoothly, instantly – like an expert sports rider.

Honda RoadSync Smartphone Connectivity

Want to use your phone's nav or listen to music? No problem. By downloading the Honda RoadSync app, you can connect it to the CBR650R.

New Full Colour 5-Inch TFT Screen

With intuitive information display, straightforward ergonomics, full connectivity and optically bonded resin layers for maximum clarity and visibility in direct sunlight.

Sports Quality Suspension and Brakes

Dual, radial mount Nissin four-piston calipers grip 310mm discs – hard. Showa 41mm SFF-BP USD front forks and rear shock offer fingertip feel for on-the-edge tyre grip.

Honda Selectable Torque Control (HSTC)

HSTC smoothly manages rear wheel traction, wet or dry, so carving a set of corners is always a thrill. The system can also be turned off completely.

CBR Inspired Styling

Our racing DNA runs deep. The CBR650R wears sharp new bodywork and dual LED headlights inspired by the awesome CBR1000RR-R Fireblade.

All specifications are provisional and subject to change without notice.

- Please note that the figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors.
- These models come with a 2 year or 20,000km manufacturing warranty (whichever comes first).
